My dear friend

Jon favor of the 7th inst duly rec'd. a
few of hers presents my answering
it promptly.

The Money I sent to you was handed
to me by W. Headhurst & the direction
to "hand that to W.L. Garrison"; a few
days before he said to me Henry to
take to Garrison for me $10. I have been
getting his paper for a long while."

I therefore infer that this for the
Liberator. Jon Congratulations and
jon wishes for the happiness of myself & wife
are acceptable & very heartily reciprocated.
From my wife
Yours truly
E. M. Davis

Should you find time to write
again will you be kind enough to say whether you
ever heard of Thompson receiving the $100 I sent him whilst he was in this Country,
the name from his friends at the Fair of that year.
